Big Storms equal Big Claims

The holiday season has delivered some intense weather here in Iowa. Since Thanksgiving, three major snowstorms have led to significant disruptions across the state, including multiple interstate pileups. The most recent storm even shut down I-35 for more than 24 hours.

As these events drive a surge in claim volume, our team is fully equipped to support you. We're prepared to handle increased auto losses, snowmobile incidents, property damage from ongoing freeze-thaw cycles, and a wide range of weather-related claims.

If you need a responsive, detail-driven partner who can step in quickly and keep your files moving, we're ready.
